

100 WOMEN WHO CARE NEW TECUMSETH. IMPACTING THE COMMUNITY TOGETHER

FUNDING PROCESS

Overview

The mission of 100 Women Who Care New Tecumseth ("100WWCNT") is to encourage local women's involvement in philanthropy and to make a significant difference in our community. We give away 100% of the proceeds raised by our members to local non-profits and charities through a membership vote at our quarterly meetings. Funding amounts are determined by the number of members we have. At present our donation amount is approximately \$5,000, however it could be more depending on increases in membership numbers at each new meeting we hold. Our goal is to reach a minimum \$10,000 donation, four times a year.

Selection Process

Charities/non-profits apply to our Steering Committee for pre-qualification followed by a formal application submission. Once that process is finalized, the name of the organization is entered into a random draw lottery. Three names are chosen one month prior to a membership meeting by the Steering Committee. The three chosen organizations are asked to attend the meeting and provide a five-minute presentation plus Q&A to our members. The members vote by ballot at the meeting to select a recipient for that evening's donation. Any organizations that are not chosen by lottery or at the members' meeting can remain in the lottery for future consideration.
